

# COLUMBIA PLAZA APARTMENTS

Each tower at Columbia Plaza offers a **unique living experience**. The apartments in The Envoy have the most unique floor plans with some featuring views of the **Potomac River** and The Ambassador is a quick elevator ride to the outdoor plaza. The Baron is closest to the **Foggy Bottom Metro** and The Diplomat includes the most high-end finishes. The Consul features the main lobby and fitness center.

Every tower includes studio, one, and two bedroom apartments and three bedrooms are available in The Envoy. Amenities **include a balcony, parquet or wood-style flooring, and amazing closet space**. Plus, all apartment utilities are included.

The neighborhood surrounding Columbia Plaza Apartments includes **everything you need** to thrive. Within blocks you'll find **eclectic restaurants, unique shopping, and convenient locations** to run all of your errands. We are a central point for major universities, employers, and government agencies - as we share a building with the State Department. Plus, our special downtown location has you minutes from the amazing national monuments and the beautiful display of the annual cherry blossoms at the Tidal Basin.
